2020 P&C Members & Meeting Time

Dear families,

I am pleased to announce that our 2020 P&C President is Karen Pochodyla. Karen has been our President for a number of years and it is great to have her back in the role again.

We had very, very, very few MPS community members at our AGM.

This is of concern to our school as we need community members to have a voice in our community as well as assist with the organisation of our annual P&C events:

- Easter raffle
- Mother's Day Stall
- Father's Day Stall
- Christmas raffle

Without the assistance of our community, it is possible that we will be unable to hold one or more of the above events.

Our P&C and our school would like to have as many parents/carers attend these meetings as possible. Decisions about the direction of the P&C fundraising, events and collaboration between our parents/carers and our school are made at these meetings.

Last year we surveyed our school community about the time of the P&C meetings. The majority of community members who responded indicated that their preference was for a 9.15am meeting on Wednesdays. However, communities and commitments change. Therefore, we would like to survey our 2020 community and possibly change our meeting times if that meets the needs of our 2020 MPS parent/carer community and allows more community members to be involved.

**I ask that you only complete this survey if you want to / would be prepared to come to P&C meetings.
Please do not complete this survey if you know that you will not attend any meetings.**

There are two P&C meetings held each term. These are held in week 3 and week 7 of each term.

If you are interested in attending our P&C meetings, please complete the survey on the back of this note and return it to the office by **Friday 21 February 2020**.

If you do not want to, or are unable to attend P&C meetings, but would like to help with running and or organising events, for example, selling items to the students when we hold the Mother's Day stall or purchasing Easter eggs for the Easter raffle, please complete the section on the back of this note and return it to the office by **Friday 21 February 2020**.

I will discuss the results of the survey with our P&C President, Karen Pochodyla. We will discuss the future meeting times of our P&C and inform community members of the date and time of our next meeting.
