2021 Kindergarten Enrolments

Dear families,

Enrolments for students who will be in Kindergarten in 2021 are now open.

Any family who has a child who will be starting Kindergarten next year is encouraged to contact the office and begin the enrolment process.

Some families in our community who will be starting a child at school for the very first time, may be unaware enrolments are now open. If you know of a family who may be in this position, please encourage them to contact our school office for information about enrolling.

We need to be preparing for the number of students starting next year. It is important we know this well ahead of time so we can allocate the appropriate teachers and resources to support these students.

If you have a child in your family who will be starting Kindergarten next year or you know of a family who will be starting Kindergarten next year, please fill out the slip below and return it to the office.

Thank you for your assistance with this.
